All,

I am re-sending the Tribal RSO Cleanup Budget in case the second tab causes any confusion. The second tab included old assumptions and should have been removed prior to sending out the final version for the group. If you have any questions, please let me know.

Thanks,

Christine

All,

Attached are the funding decisions for FY17 based on recommendations for allocating EPM, LUST Prevention, and LUST Cleanup tribal funding discussed at the Tribal RSO Panel Meeting in January.

I have received the documentation from most of the regions for task orders under the Indian Country Cleanup contract (BERS). I will be sending the task order requests to OAM (contracts) over the next few days and will let you know if I need additional information to move those forward. If I have not received the documentation from your region, please be aware that OAM has a May 31, 2017 deadline for making awards by the end of the fiscal year.

Please let me know if you have any questions or concerns.

Thanks,

Christine
